

Dear Judy,

Attached is the proposed new policy for the Social Justice Committee.

The committee was reformulated by several of us in the congregation in coordination with Rabbi Chava in order to broaden the Committee's reach to support those many in the congregation who engage in social justice work, as well as to serve as a hub for information about what types of social justice work is being done by members of the congregation and inform our congregation of relevant social justice work happening outside of UUCGT.

We intend to elect officers, but to get started, we will have the following as leadership. An election of new leadership will occur prior to the start of 2019.

Cochairs: Kim Sibilsky, Barbara Conley

Secretary: Lynnette Rhodes

Board of Trustees Liaison: Linda Fletcher

Senior spiritual leader: Chava Bahle

Sincerely

Barbara Conley, Kim Sibilsky, Lynnette Rhodes, Linda Fletcher, Chava Bahle
