Hi Linda--this is John Hoffmann. The Donated Dinners Fundraising Event is complete. Thanks to the generosity of hosts and congregants we have raised \$1080 for the dinners. Some of the hosts have asked if the proceeds could be distributed to community agencies that help provide food for people in need.

So--I'm contacting you to see if the Board would approve the allocation of monies from this fundraiser to either an Agency, such as Father Fred Foundation, or to our Community Needs committee for distribution to help combat hunger. Could the Board set aside 50% of the total (\$540) for such an effort? Thanks for your consideration to this request, let me know if you have any question regarding this matter. Take care, John.
