- In registering my child(ren), I recognize the importance of regular attendance and parental participation in my child's Religious Experience program.
- I accept the responsibility to help make this year's Religious Experience program a meaningful experience for children and youth at our Congregation.
- I also understand that to provide a secure and safe environment for children and youth at our Congregation, all persons working with my child(ren) at the Congregation have filled out a data form complete with references.

The Unitarian Universalist Congregation of Grand Traverse's Religious Experience Program is a cooperative, volunteer-based program and depends on *many* volunteers to make it work. We ask each family with a child registered in our programs to assist in some way during the year. We are always in need of chaperones, assistance with events, but most especially by teaching, assisting in one of our classes, or serving on the Committee on Religious Experience. There is no fee associated with participation in the Religious Experience Program for Children and Youth, however, we do rely on the generosity of your support in the form of pledges to the annual church stewardship campaign.
