

Mike,

I will be there Monday evening. What I am proposing is a raffle that is entirely by chance for the Super Bowl being played in February 2019. This is an opportunity for UUCGT to pocket approximately \$1,700. Each raffle ticket will cost \$35.00 or 3 for \$100.00. Each quarter there will be a winner for \$300.00 A total of \$1200 will be the payout and we still net approximately \$1700. I believe the cost for the Raffle License will be \$250.00

I download the previous license I applied for.

Thanks,

Hal
