Subject: Facilities Committee request to stain building

Hello All,

The exterior of our building needs a coat of stain. The Facilities Committee has determined that this job is too large for us to undertake with volunteer labor. Dave Halsted (and others) met with two painting companies who submitted bids: Paint by Paul - \$22,500 and Aztec Painting - \$8600.

Aztec Painting was recommended to us by Kay Sturgeon. She has known them for fifteen years, and they have done painting for her and her neighbor. Aztec will power wash the building, cut out and replace bad caulk, and apply a heavy coat of Sherwin Williams stain. The bid includes labor and materials. The Facilities Committee is convinced that Aztec will do a quality job for us.

This request is to fund this project money from Fund 3440 MM Capital Improvement Reserve which currently contains \$32,135.94. Mike McDonald asked me to conduct an email vote of the Finance Committee so we can take the request to the Board meeting on Tuesday.

I have discussed this request with Mike, Price, and Dusty and they (and I) voted "yes." I hope to hear from the rest of the committee in the next day or two.

Thank you,

Karl Keinath
