July, 2019

Greetings from Grand Traverse County! The 2020 Census is fast approaching and we need your help in achieving the primary goal of the census, to count everyone once, only once, and in the right place. You are receiving this letter because you have been identified as an influential member of the community you may be helpful in presenting information about the 2020 census to the population you influence.

I am asking your help by becoming a member of Grand Traverse County's Complete Count Committee. A Complete Count Committee is a broad spectrum of government and community leaders from education, business, healthcare, and other community organizations. In the near future, the Grand Traverse County Complete Count Committee will host a workshop with representatives from the United States Census Bureau to receive beneficial information about the 2020 Census and begin to identify strategies to engage our community and encourage their participation in the census.

If your organization is willing to take part in the Grand Traverse County Complete Count Committee it would be greatly appreciated. To that end, please provide contact information for a representative(s) of your organization and we will include them in the work shop and any future information sharing. You may email the information to admin@grandtraverse.org or contact us at 231-922-4780.

If you would like to speak with my office directly about the Complete Count Committee please call 231-922-4780.

Thank you very much for your consideration,

Nate Alger
Grand Traverse County Administrator
