Dear Mike,

Can you please share this email with the Board:

After careful consideration, the Sunday Services Committee Co-Chairs together with Rev Cathy have decided not to go forward with the Christmas Eve Service at the State Theatre. Instead, we are going to focus and emphasize the Candlelight Service which will be held Christmas Eve at UUCGT. If you have any questions or concerns please contact either Hal, Amanda, or Cathy.

In care,  
Amanda Mangiardi, Hal Gurian, and Cathy Harrington
