Subject: Re: Tentative Agenda for October meeting

We delayed discussion on a partner church from a couple months ago because of a full agenda. I suggest we put it in the consent agenda that we are NOT going to pursue it st this time because we have too much going on

Hi Mike,

Thank you for sending.

I noticed To Do list is on their twice--probably should not be in consent agenda.

Regarding Update on Safe Congregations, it is Updates for Safe Congregations and Healthy Congregations. BTW, we decided it should be two separate teams and we will be asking for another Board member to serve on the Safe Congregations team--thought I'd let everyone know so you can consider ahead of time!

best,

Barb

Hi Board members,

Attached is the tentative agenda for our meeting on Wednesday, October 16 at 7:00 pm. Please let me know if you know of anything I may have missed. I will send out a final agenda with the Board Packet this weekend.
